With reference to the above proposal, the approximate positions of the water mains and sewers, where these exist, are shown on your plan, one copy of which is returned herewith. It cannot be guaranteed however, that this information is accurate and you are advised to verify on site that your proposal does not interfere with such services, as the reinstatement of any damage caused as a result of your operations will be charged to you.

A road opening permit in respect of this proposal will be required. You are asked to note the following comments and to take the appropriate action.

- Care to be taken not to damage any existing underground services not marked on this drawing as such damage shall be charged to you,
- Care to be taken not to damage the existing water mains marked in blue on the attached wayleave,
- Ensure that footpath and drains are reinstated to the satisfaction of the City Engineer's representative,
