With reference to the above proposal, the approximate positions of the water mains and sewers, where these exist, are shown on your plan, one copy of which is returned herewith. It cannot be guaranteed however, that this information is accurate and you are advised to verify on site that your proposal does not interfere with such services, as the reinstatement of any damage caused as a result of your operations will be charged to you.

A road opening permit in respect of this proposal will be required. You are asked to note the following comments and to take the appropriate action.

- a) Care to be taken not to damage any existing underground services not marked on this drawing as such damage shall be charged to you,
- b) Care to be taken not to damage the existing water mains marked in blue on the attached wayleave,
- c) Ensure that footpath and drains are reinstated to the satisfaction of the City Engineer's representative,
- d) Care should be taken not to damage the existing underground streetlighting cable installation,
- e) The proposed optic fibre cable should be at a depth of 1.2m from the finished road level and within a distance of 1.5m from the plot boundary. If services shall be laid outside this area the same shall be re-located at your own cost,
- f) Make sure to conform to the provisions of the Kenya Road Act of 2007 clause 27 on the power to remove pipes etc from within the road reserve by the road authority,
- g) You shall provide a bank guarantee equivalent to the cost of reinstatement for all the opening valid for a period of 12 months,
- h) As built drawings shall be required to be submitted upon completion of the works for our record.
- i) You shall clear with the Chief Engineer (Roads) Ministry of Roads as Langata Road, Ngong Road, Uhuru Highway, Forest Road, Chiromo Road, Waiyaki Way, Kabete Road, Red Hill Road, Limuru Road, Mombasa Road, Airport South and Airport North Roads are classified roads.
